China-ASEAN Science and Technology Partnership Program

Ministry of Science and Technology (MOST), China
Contents

I. Background of China-ASEAN Science and Technology Partnership Program (China-ASEAN STEP)

II. Highlight of four sub-programs
I. BACKGROUND

1st China-ASEAN S&T Ministerial Meeting, 2012

China-ASEAN S&T Partnership Program

The Science & Technology Ministers of China and ASEAN member states jointly launched the China-ASEAN Science and Technology Partnership Program in the Ministerial Meeting on the 9th China-ASEAN Expo 2012,

-- Innovation capacity building and major demands of S&T economy development
-- “Partnership” and “Sharing”
-- Promote regional sustainable development
II. Four sub-programs

1. Co-Establishing Joint Laboratories and Joint Research Centers

- Establish long-term and stable partnerships
- Improve S&T capability, enhance industrial technological level
- Accelerate the development of related industries

*China-Cambodia Food Industry Joint Laboratory*

*China-Thailand High Speed Rail Joint Research Center*

*China-Myanmar Radar and Satellite Communication Joint Laboratory* China-

*Laos New Energy and Renewable Energy Joint Laboratory*
China-Cambodia Food Industry Joint Laboratory
II. Four sub-programs

2. Co-establishing China-ASEAN Technology Transfer Center

To deepen China-ASEAN cooperation;
To enhance the transfer of advanced and applicable technologies;
Thus further regional integration.

**CATTN**: covering major Chinese provinces and municipalities and ASEAN member states

Tapping the collaborative potential among enterprises, R&D institutes and universities of China and ASEAN nations

Organizing B2B meetings, tech trainings and demonstrating advanced technologies

CATTN: The China-ASEAN Technology Transfer Network
MOST China appointed CATTC and the relevant institutions recommended by S&T Authorities of ASEAN Nations to co-establish Bilateral Technology Transfer Center.

Reached Consensus

- Thailand-China TTC
- Cambodia-China TTC
- Myanmar –China TTC
- Laos-China TTC

(TTC = Technology Transfer Center)

Cooperation agreement will be signed within 2014

Actively Consulting

- Indonesia, Vietnam,
- Malaysia and other
- ASEAN countries
1009 members have joined China-ASEAN Technology Transfer Network (CATTN) until now

**ASEAN**
- Total: 354
  - Technology transfer agencies: 26
  - Enterprises: 328

**China**
- Total: 655
  - Technology transfer agencies: 53
  - Enterprises: 602
The 1st Forum on China-ASEAN Technology Transfer and Collaborative Innovation

The largest Tech Meeting facing ASEAN in China ever
II. Four sub-programs

3. Talented Young Scientist Visiting Program

- Further strengthening the exchange of science and technology personnel
- Sponsors young scientists to work as visiting scholars in China

27 young scientists work for

Chinese Academy of Sciences
Chinese Academy of Agricultural Sciences
Chinese Academy of Tropical Agriculture,
Zhejiang University, Northwest University
Zhejiang Ocean University
Beijing Jiaotong University…
II. Four sub-programs

Thank you
